## Hotels with a view: Ask for these exact room numbers for world-class vistas

Many hotels in great destinations offer spectacular views. But how do you know you're getting the one that overlooks the Eiffel Tower and not the dumpsters on the other side? We've done the work for you. See the slideshow above for amazing views of world-class attractions, and the exact hotel room you should request to get them.

**Hilton Garden Inn New York/Midtown Park Avenue** has many beautiful Empire State Building views from its rooms, including 2600. You can choose that room easily on Hilton's Digital Check-In & Room Selection (which also includes a floor-by-floor room layout map). [Hilton Garden Inn](#)
